offset

↓

distance

Offset 

Distance 2.5 mm

Accuracy 50

Regularity 25

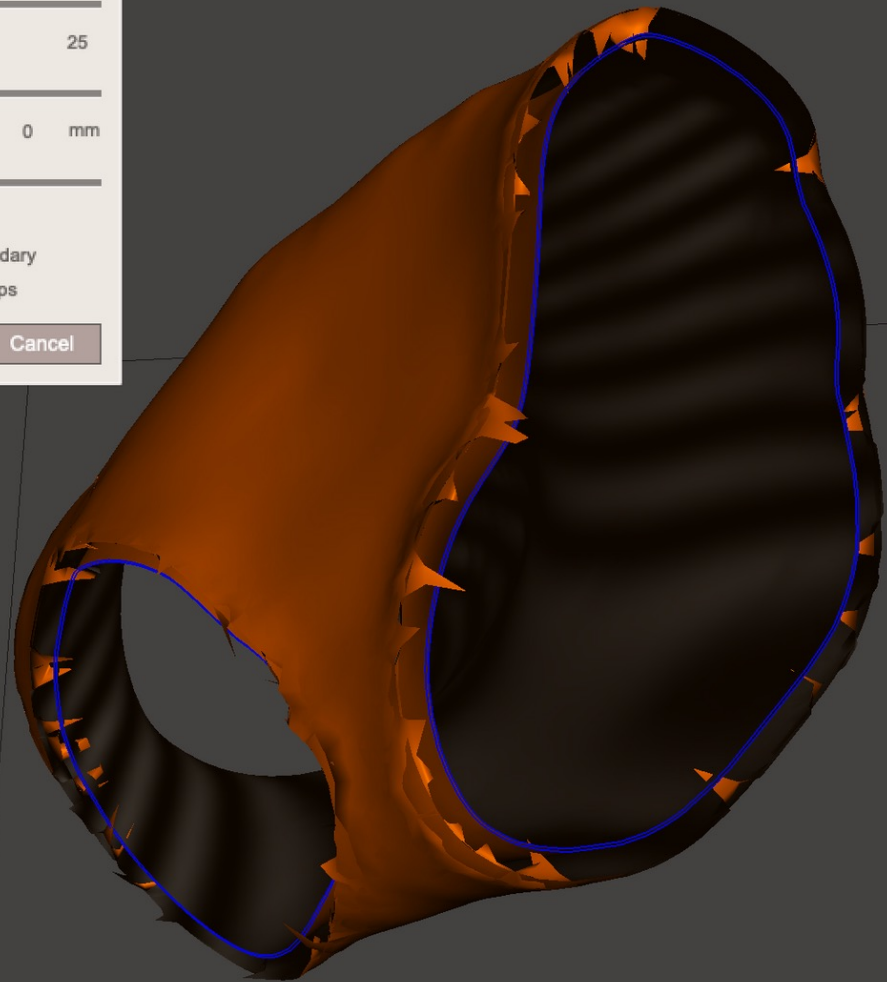

Soft Transition 0 mm

☐ Connected

☒ Preserve Boundary

☒ Preserve Groups

Accept Cancel

刪除多餘圖層

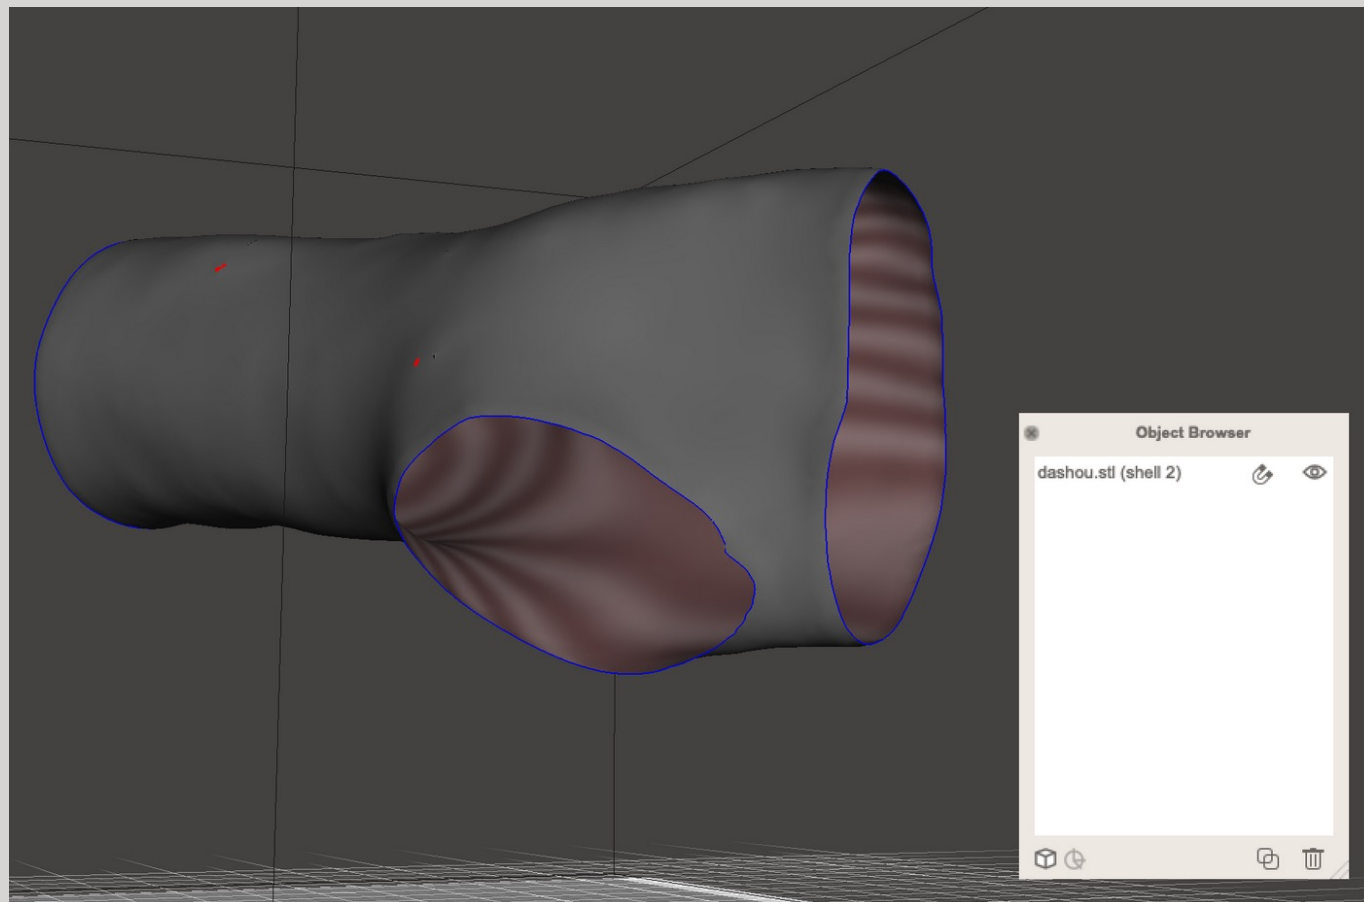

edit

separate shells

delete useless shells

使用畫筆刪除部分區域

select

size

draw

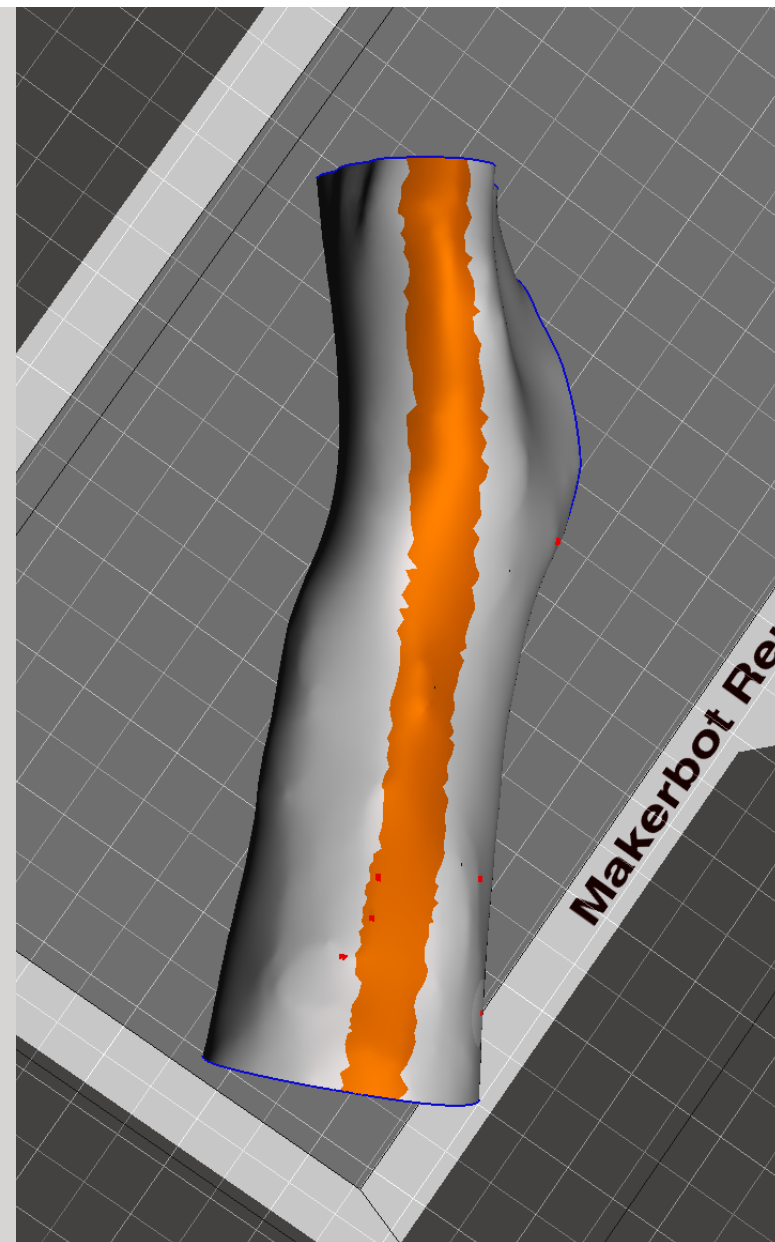

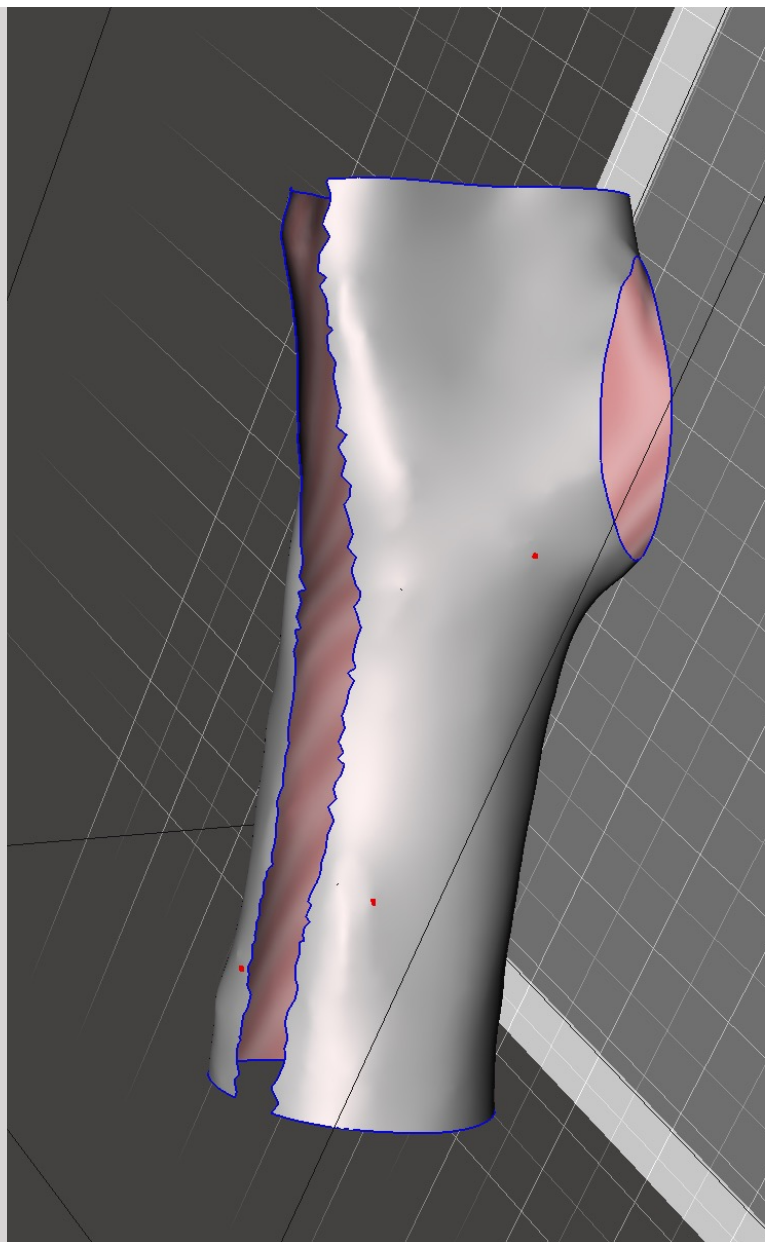

edit

plane cut

no fill

建立pattern

edit

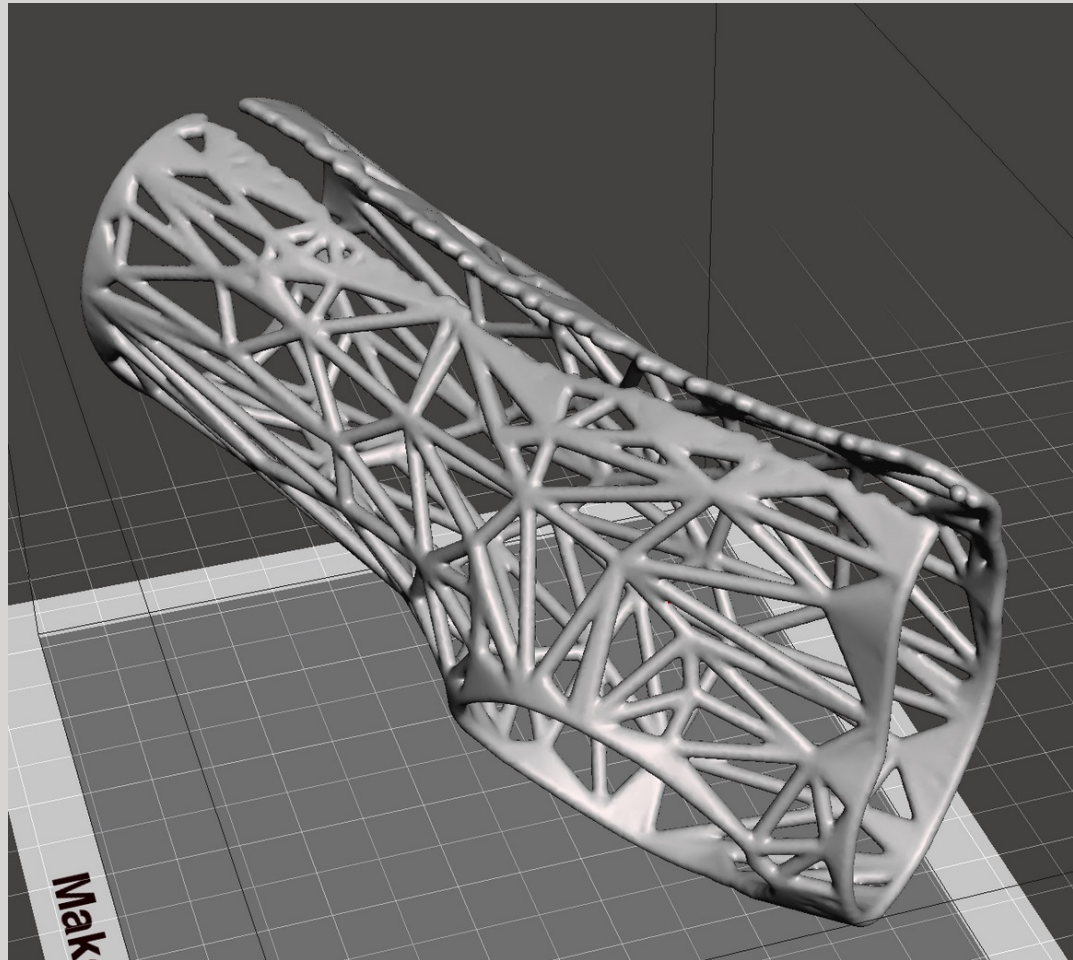

make patterns

pattern type (edges)

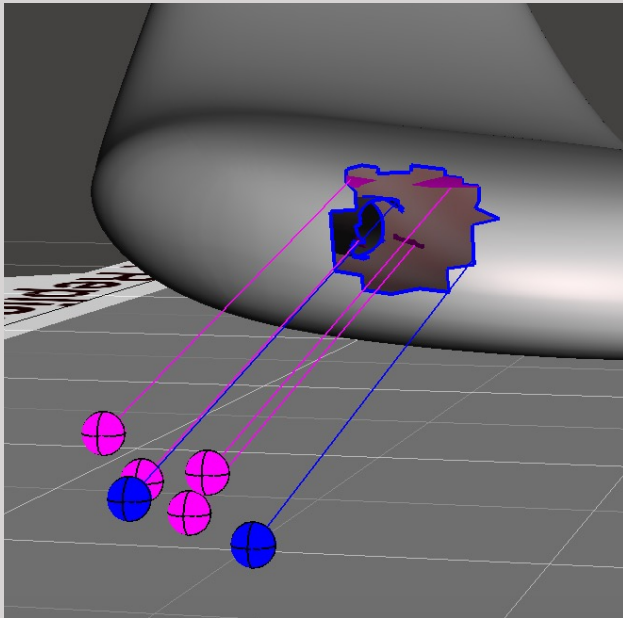

set gradient
(line gradient)

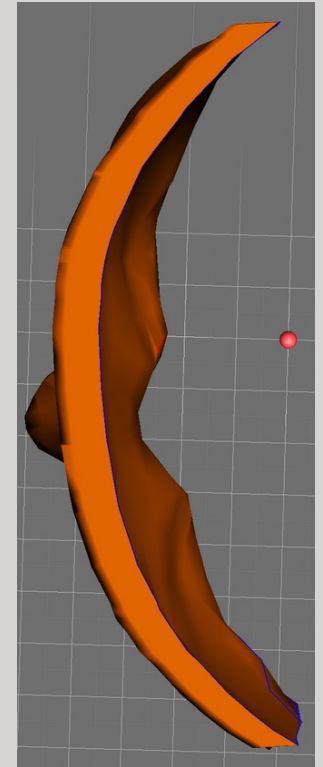

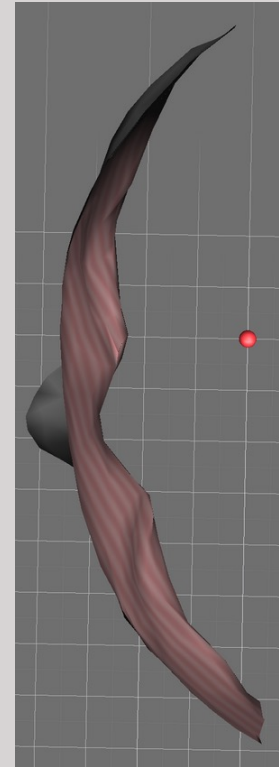

空腔檢測

Analysis
↓
inspector

加厚

select all
↓
edit
↓
extrusion

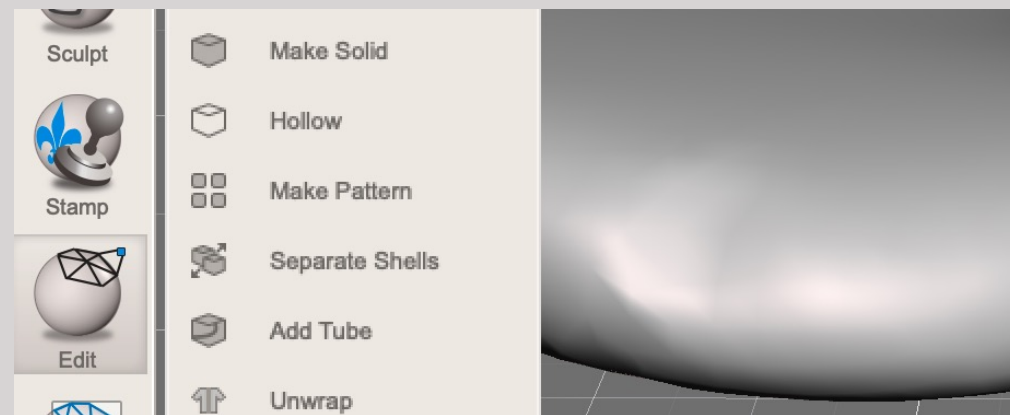

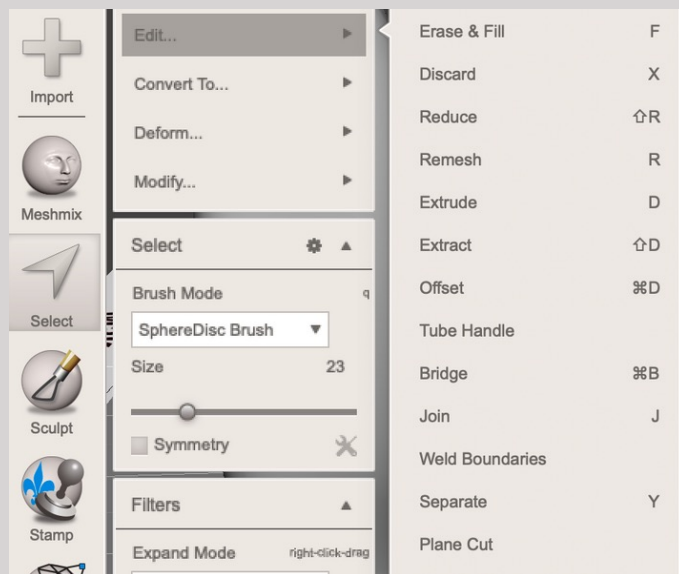

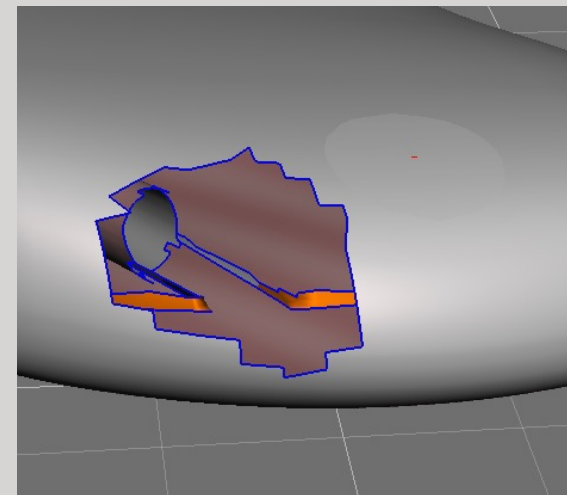

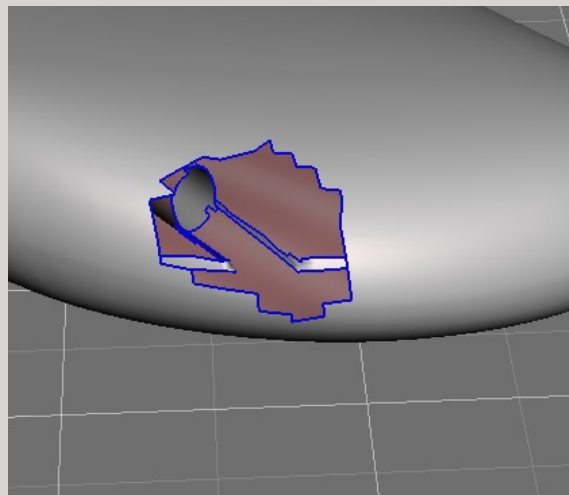

重要！如何補破圖：

用select的畫筆把破掉部分標記起來

edit→plane cut

edit→make solid

(記得配合空腔檢測)

儲存檔案的格式：**stl**

save file as .stl
